As an agent, how do you protect yourself and your broker from lawsuits, lost revenue and risk? The potential for risk can directly impact your real estate business and it's up to you to stay informed & up-to-date. This class identifies real estate risks and shows you how to protect yourself by being very aware of negligent behavior & misrepresentation.

This Course will focus on:

- How to avoid anti-trust traps, RESPA/ fair housing violations and unintended discrimination
- Protecting yourself and your business by dispelling popular myths and fantasies related to risk management.
- What happens when an agent acts outside of their field of competence? What are the penalties?
