IT'S YOUR MOVE ...CHOOSE A GRI!

**Make it the best move of your life...
use a REALTOR® with the GRI designation.**

The designation shows the REALTOR® has taken **94 hours of comprehensive education** and passed the subject exams required to earn the designation. This is over and above what is required of an average licensee. A graduate of the program is...

- ✓ a person trained to understand, and meet, your needs and goals
- ✓ a person educated to serve and protect you during the real estate transaction
- ✓ a person committed to professionally marketing your home
- ✓ a leader in the real estate industry
- ✓ a person that is DEDICATED to QUALITY SERVICE!

I've got my GRI and I am ready to help you!
